

Rural Municipality of Meadow Lake #588 Policy

Policy # GG-001

Policy Title: Comprehensive Policy Manual Established

Policy Objective: To establish the Rural Municipality of Meadow Lake #588 Comprehensive Policy Manual
Authority: Council Resolution #272/14
Dated: August 20, 2014

Background:

The RM of Meadow Lake #588 has adopted many policy manuals over the years. These policy manuals have been large and, at times, difficult to Administer and to amend.

Creating a policy manual with identifying criteria may help to access information with more ease and be able to amend to the changing times.

Policy:

1. The RM of Meadow Lake #588 Comprehensive Policy Manual is established
2. The policies contained within the Comprehensive Policy Manual will supersede policies that have been previously issued.
3. Where the Comprehensive Policy Manual is silent on a matter, the historic policy, if available, should be used for guidance.
4. All policies in the Comprehensive Policy Manual will be issued in the format of this policy.
5. A Master copy of the Comprehensive Policy Manual will be maintained and stored in the Rural Municipal Office of Meadow Lake, Sask. and will be considered the authoritative copy.
6. Only policies approved by Council Bylaw or Council Resolution will be included in the Comprehensive Policy Manual.
7. A copy of the Comprehensive Policy Manual will be maintained on the RM of Meadow Lake's website.
