

Rural Municipality of Meadow Lake #588 Policy

Policy #HR-016

Policy Title: Employee Workplace/Worksite

Policy Objective:

To provide information on Employee Workplace/worksite

Authority:

Council Resolution #135/21

Dated: February 8, 2021

Background:

1. Employees need to have an understanding of where the “work place/worksite” is in relation to their jobs. To avoid inconsistencies of mileage being paid to some employees and not to others, we need to establish a “work place/worksite” definition.

Policy:

1. Workplace Definition

- a. The RM of Meadow Lake #588 shall have a “workplace/worksite” definition to state that the work site shall be within the boundaries of the RM of Meadow Lake #588.
- a. Mileage shall not be paid to any employee attending to the “work place/work site”
