

Rural Municipality of Meadow Lake #588 Policy

Policy #PC-001

Policy Title: Blasting Policy

Policy Objective:

To help ratepayers obtain qualified blasting personnel

Authority:

Council Resolution #033/17

Dated: January 9, 2017

Background:

1. Dynamite is regulated by the Federal Government and any person wishing to obtain dynamite must be trained and registered to handle the dynamite.
2. Occasion has occurred where there was a need to blast out a beaver dam, rock issue, etc. on private property and the landowner would contact the personnel to complete this project.
3. Due to the Federal regulations, no individual may obtain and use dynamite.

Policy:

1. Council for the RM of Meadow Lake #588 authorize Lenn Lennea, Sr. to be the magazine keeper for the RM of Meadow Lake #588 thereby allowing him to complete the dynamite blasting on behalf of the RM of Meadow Lake.
2. Should an individual person request blasting the Council may permit Lenn to complete this under the direction and control of the Municipality providing that:
 - a. All permits are compiled to;
 - b. All government departments are contacted with approval received;
 - c. If the RM of Meadow Lake council and/or Management feel it will be a benefit to the RM.
3. All costs incurred for:
 - a. Municipality – paid for by the Municipality
 - b. Individual Ratepayer
 - i. Cost of Lenn Lennea, Sr's time and expense - 420-910-110
 - ii. Cost of dynamite
 - iii. Other costs incurred
 - iv. Administration fee of \$100.00 - 420-910-110
